Cheer our Cheerleaders!!!!

It is always great for teams to show their support of the competitor with signs banners, pom poms, dressed in matching colours etc.... **but most importantly with Attitude Parents and supporters being seated together in the audience.**

It would also be appreciated if audiences can make an effort to watch other Attitude Dance routines that are competing while you are there.... This may mean changing stage locations multiple times. All routines are rewarded for "Audience impression" and support from our own spectators would be greatly appreciated.
